Simply God

Peter Sanlon

Simply God Peter Sanlon

Most contemporary presentations of the Christian God focus on either his 'oneness' or his 'relationality'. These are often assumed to contradict one another, and language about God's love and relationality often settles into a comforting but ultimately shallow and unreliable gesture towards bland niceness. Peter Sanlon offers a fresh, stimulating examination of the triune God who is love. He guides us through the classical theological tradition of Augustine, Anselm and Aquinas - aiming to help us think and speak more faithfully about God.

In Part One, Sanlon introduces the vital concept of 'simplicity', without which it is impossible fully to affirm all the Bible teaches about God.

Part Two examines the relationality of God's love in Scripture. The author considers the importance of God's simplicity for the atonement, and concludes with some reflections on how Christians will be better equipped to engage with contemporary culture if they remain sensitive to both God's simplicity and his relationality.

From reader reviews:

Thersa Moss:

Why don't make it to become your habit? Right now, try to prepare your time to do the important work, like looking for your favorite book and reading a e-book. Beside you can solve your trouble; you can add your knowledge by the e-book entitled Simply God. Try to make the book Simply God as your friend. It means that it can being your friend when you experience alone and beside associated with course make you smarter than in the past. Yeah, it is very fortunated for you personally. The book makes you far more confidence because you can know almost everything by the book. So , let me make new experience and also knowledge with this book.

Marina Rutt:

Here thing why this specific Simply God are different and trustworthy to be yours. First of all reading a book is good nevertheless it depends in the content of computer which is the content is as scrumptious as food or not. Simply God giving you information deeper and in different ways, you can find any publication out there but there is no e-book that similar with Simply God. It gives you thrill studying journey, its open up your eyes about the thing in which happened in the world which is perhaps can be happened around you. You can actually bring everywhere like in recreation area, café, or even in your way home by train. If you are having difficulties in bringing the paper book maybe the form of Simply God in e-book can be your substitute.

Michael Stanford:

The guide untitled Simply God is the e-book that recommended to you to read. You can see the quality of the e-book content that will be shown to a person. The language that creator use to explained their ideas are easily to understand. The article writer was did a lot of investigation when write the book, and so the information that they share to you is absolutely accurate. You also could possibly get the e-book of Simply God from the publisher to make you much more enjoy free time.

Brandon Inouye:

This Simply God is great e-book for you because the content and that is full of information for you who also always deal with world and get to make decision every minute. That book reveal it data accurately using great manage word or we can point out no rambling sentences included. So if you are read the idea hurriedly you can have whole info in it. Doesn't mean it only provides straight forward sentences but challenging core information with wonderful delivering sentences. Having Simply God in your hand like keeping the world in your arm, data in it is not ridiculous one. We can say that no guide that offer you world throughout ten or fifteen moment right but this reserve already do that. So , this can be good reading book. Hi Mr. and Mrs. hectic do you still doubt which?
