**The Clockwise Collection Boxed Set: Young Adult Time Travel Romances** Elle Strauss

**Clockwise - a #1 bestseller in YA time travel:** Casey Donovan has issues: hair, height and uncontrollable trips to the 19th century! And now this --she's accidentally taken Nate Mackenzie, the cutest boy in the school, back in time.

Awkward.

Protocol pressures her to tell their 1860 hosts that he is her brother and when Casey finds she has a handsome, wealthy (and unwanted) suitor, something changes in Nate. Are those romantic sparks or is it just "brotherly" protectiveness?

When they return to the present, things go back to the way they were before: Casey parked on the bottom of the rung of the social ladder and Nate perched high on the very top. Except this time her heart is broken. Plus, her best friend is mad, her parents are split up, and her younger brother gets escorted home by the police. The only thing that could make life worse is if, by some strange twist of fate, she took Nate back to the past again.

Which of course, she does.

**ClockwiseR:** The last year has been smooth sailing for Casey Donovan. She and her boyfriend Nate are doing better than ever, and things at home are good, too.

Everything's been so calm, she hasn't "tripped" back to the nineteenth century in ages.

Then the unthinkable happens and she accidentally takes her rebellious brother Tim back in time. It's 1862 with the Civil War brewing, and for Tim this spells adventure and excitement. Finding himself stuck in the past, he enlists in the Union army, but it doesn't take long before he discovers real life war is no fun and games.

Casey and Nate race against the clock to find Tim, but the strain wears on their relationship. It doesn't help that the intriguing new boy next door has his sights on Casey, and isn't shy to let her know it.

Can Nate and Casey find Tim in time to save him? And is it too late to save their love?

**Like Clockwork:** Adeline doesn't feel she belongs in her own time, but can bad boys from the past be trusted?

Adeline Savoy had hoped that the move west from Cambridge to Hollywood with her single dad would mean they'd finally bond like a real family, but all she got was a father too busy with his new female friends and his passion for acting to really see her.

Instead she finds herself getting attached to Faye, the divorcee hair dresser she befriends when she travels

back in time to 1955. Plus Faye has a hottie, James Dean-esque, bad-boy brother who has Adeline's heart all aflutter. But bad boys from the past can be dangerous.

Is it possible that Adeline really does belong in her own time and that maybe the right boy lives as close as next door?

**Counter Clockwise:** Casey and Nate are back!

High school senior Casey Donovan is in trouble. Again. If only she had trusted in Nate's loyalty when he traveled to Spain with his college basketball team - despite being accompanied by the cheerleading squad and Fiona the Floozy who'd made it super clear she wanted Nate for herself. Then she wouldn't have made that impulsive trip to Hollywood and let Austin do that stupid thing that threatened her relationship with Nate, and triggered a trip into the past. Only something is wildly wrong. She's not in the 1860s like she should be. It's 1929. And she didn't come alone.

\*\*\*

**Author interview:**

**What inspired you to write time travel?**

I've always had a fascination with mind-bending alternate realities ideas combined with history, tackling the questions while knowing what we know now, "What we do if we were there?" and "Would we change it if we could?"

I lean toward the lighter science fiction adventures like Star Wars and Star Trek. I absolutely adored the Back to the Future films. I'm a big fan of Madeline L'Engel and her A Wrinkle in Time series.

**What recent time travel books and authors do you find inspiring?**

Some of the more recent time travel tales I enjoyed are the Out of Time series by Monique Martin, the Waterfall series by Lisa T. Bergen, Slow Dance in Purgatory by Amy Harmon, Unhappening by Edward Aubry, and the Timebound series by Rysa Walker.
