**The Greatest Dot-to-Dot Super Challenge Book 5 (Greatest Dot to Dot! Super Challenge!)** David Kalvitis

These are definitely not your father's dot-to-dots. With no clues given to the final image, numbers into the thousands, and amazing detailed pictures, The Greatest Dot-to-Dot Super Challenge provides a whole new level of challenge and intrigue.

Author and artist David Kalvitis continues his Dot-to-Dot revolution by introducing a variety of brand new puzzle inventions. The patent pending Arrow and Compass puzzles provide unique methods for connecting points to reveal a picture. Other new puzzle designs include Alpha Dots and ABC Sets as well as double page spreads with over 1,300 dots. Kalvitis definitely had older kids, teens and adults in mind when designing his puzzles. With his ever-present attention to detail, increasingly complex images and fine-tuning of his craft with each new book, The Greatest Dot-to-Dot Super Challenge raises the bar for dot-to-dots. Ages 8 to Adult.

**From the Author** Connect-the-dot puzzles are a fun, quiet activity that I always enjoyed as a child. As an adult, I found that all the books available were for young children just learning their numbers, with drawings that gave away the final pictures. Being a lifelong puzzle fan, I thought it would be fun to design a sophisticated and challenging dot-to-dot book for older kids. My objective was to create a magical dot-to-dot experience, not only by increasing the numbers and image quality, but also by inventing new and refreshing ways of creating pictures. Adults repeatedly tell me, I used to love dot-to-dots as a kid! One of the most satisfying surprises is that grown-ups enjoy the puzzles as much as kids. It is also exciting to hear of the numerous ways that the books have been used for teaching and rehabilitation. The Greatest Dot-to-Dot Books have won multiple awards and the puzzles can be found all over the world in newspapers, magazines, catalogs, various stores and on the Internet.
