The Vindico are a group of supervillains who have been fighting the League of Heroes for as long as anyone can remember. Held captive in a remote mansion, five teens train with their mentors and receive superpowers beyond their wildest dreams. Struggling to uncover the motives of the Vindico, the teens have to trust each other to plot their escape. But they quickly learn that the differences between good and evil are not as black and white as they seem, and they are left wondering whose side they should be fighting on after all . . .

With fast-paced action, punchy dialogue, and sarcastic humor, this high-stakes adventure from a talented new YA voice pulls you in from the first page.
